

## End - Student Experience Survey

This survey is specific to the instructor of this particular portion of the course (lecture, lab, discussion, recitation, etc.). Please focus your feedback on the specific portion of the learning experience that they have control over. Your completion of this survey is voluntary, and your responses are anonymous and used for you to reflect and provide feedback to the instructor about your learning experience. Your responses may be used by department heads and other university committees for evaluation of teaching as well as researchers to understand how to improve the survey and survey response rates. If your comments are discriminatory or obscene, they will be eligible for removal and if removed, the instructor's supervisor will not see the comments. If you wish to report any prohibited conduct related to this course, please utilize the appropriate channels: <https://www.uoregon.edu/reportaconcern>

**I understand that my responses will be anonymous, and that my instructor as well as the unit head and various University committees will also be able to read my anonymous responses, but my name will not appear. I understand that my role as a student will not be adversely affected by my participation in this survey.**

## Teaching and Learning Elements

For each of the following teaching and learning elements, please indicate whether it has been **beneficial** to your learning, **neutral**, or **needs improvement** for your learning. In the next section you will be asked to indicate which one was the MOST helpful to your learning, and which one is the MOST in need of improvement.

**The inclusiveness of this course:**

Is beneficial to my learning

Is neutral

Needs improvement to help my learning

**The support from the instructor:**

Is beneficial to my learning

Is neutral

Needs improvement to help my learning

**The feedback provided:**

Is beneficial to my learning

Is neutral

Needs improvement to help my learning

**The clarity of assignment instructions and grading:**

Is beneficial to my learning

Is neutral

Needs improvement to help my learning

**The degree to which the course includes active learning:**

Is beneficial to my learning

Is neutral

Needs improvement to help my learning

**Instructor communication:**

Is beneficial to my learning

Is neutral

Needs improvement to help my learning

**The organization of the course:**

Is beneficial to my learning

Is neutral

Needs improvement to help my learning

**The relevance of the course content:**

Is beneficial to my learning

Is neutral

Needs improvement to help my learning

**The assignments or projects in this course:**

Are beneficial to my learning

Are neutral

Need improvement to help my learning

The accessibility of the course:

Is beneficial to my learning

Is neutral

Needs improvement to help my learning

## What's Been MOST Helpful to Your Learning?

Please select the teaching element that has been MOST helpful to your learning, and then provide a detailed written comment about what worked well and why.

The inclusiveness of this course

Support from the instructor

Feedback from the instructor

The clarity of instructions for assignments and grading

The use of active learning practices

Instructor communication in this course

The organization of this course

The relevance of the course content

The assignments or projects in this course

The accessibility of this course

None of the elements above are helpful to my learning

What specifically about the support from the instructor helped your learning?

*These open-ended questions only display based on students selection of which teaching practices is most helpful (above).*

## What Could MOST Use Some Improvement to Help you Learn?

Please select one teaching element that could most use some improvement to help you learn, and then provide a detailed written comment about what specific changes you suggest.

The inclusiveness of this course

Support from the instructor

Feedback from the instructor

The clarity of instructions for assignments and grading

The use of active learning practices

Instructor communication in this course

The organization of this course

The relevance of the course content

The assignments or projects in this course

The accessibility of this course

None of the elements above need improvement

What specific change in the accessibility of the course would help your learning?

*These open-ended questions only display based on students selection of which teaching practices is most in need of improvement (above).*

## How Did You Support Your Own Learning?

How many hours per week did you spend on this course (not including any face-to-face class time)?

- 8-10 hours each week
  - 6-8 hours each week
  - 4-6 hours each week
  - 2-4 hours each week
  - 1-2 hours each week
  - 0-1 hour each week
- 

Approximately how many times did you interact with the instructor outside of class (e.g. by email, office hours)?

- 1-3 times in total
- 4-6 times in total
- 7-10 times in total
- More than 10 times in total
- I did not interact with the instructor outside of class (in person or electronically).

## Final Question

Is there anything else you would like to say about your learning experience in this course?

- Yes
  - No
- 

What else would you like to say about your learning experience in the course? Please avoid personal comments about the instructor.
