

Midterm Student Experience Survey S19 Pilot

In an effort to continuously improve our teaching at the University of Oregon, please provide feedback to your instructor using this Student Experience Survey.

I understand that my responses will be completely anonymous and only my instructor will see them.

Teaching and Learning Elements:

For each of the following teaching and learning elements, please indicate whether it has been **beneficial** to your learning, **neutral** for your learning, or **needs improvement** to benefit your learning. In the next section you will be asked to indicate which one was the MOST beneficial to your learning, and which one is the MOST in need of improvement.

The **inclusiveness** of this course is:

- Beneficial to my learning
- Neutral to my learning
- Needs improvement to benefit my learning

The **accessibility** of the course is:

- Beneficial to my learning
- Neutral to my learning
- Needs improvement to benefit my learning

The **clarity** of assignment instructions and grading are:

- Beneficial to my learning
- Neutral to my learning
- Needs improvement to benefit my learning

The **feedback** provided is:

- Beneficial to my learning
- Neutral to my learning
- Needs improvement to benefit my learning

The level of **challenge** in this course is:

- Beneficial to my learning
- Neutral to my learning
- Needs improvement to benefit my learning

The **quality** of the course materials are:

- Beneficial to my learning
- Neutral to my learning
- Needs improvement to benefit my learning

The level of **support** from the instructor is:

- Beneficial to my learning
- Neutral
- Needs improvement to benefit my learning

The degree to which the course includes **active learning** is:

- Beneficial to my learning

- o Neutral to my learning
- o Needs improvement to benefit my learning

The **opportunities for student interaction** in this class are:

- o Beneficial to my learning
- o Neutral to my learning
- o Needs improvement to benefit my learning

Instructor communication is:

- o Beneficial to my learning
- o Neutral to my learning
- o Needs improvement to benefit my learning

The **level of organization of** the course is:

- o Beneficial to my learning
- o Neutral to my learning
- o Needs improvement to benefit my learning

What's Been Beneficial to Your Learning?

Please select the teaching element that has been MOST beneficial to your learning, and then provide a detailed written comment about the element you selected.

The inclusiveness of this course

The accessibility of this course

The clarity of instructions for assignments and grading

Feedback from the instructor

The degree of challenge of this course

The quality of course materials

Support from the instructor

The use of active learning practices

Interactions between students in this course

Instructor communication in this course

The organization of this course

I think that _____ really benefits my learning

None of the elements above are beneficial to my learning

(conditional display: based on selection above, a specific prompt occurs that is similar to: How was [the practice selected] beneficial to your learning?)

[text entry]
